Studio Newsletter

Thank you for supporting Piano with Rebecca during 2022.

It has been a pleasure teaching you and/or your child and it warms my heart to see the constant improvement of my students as they learn more and discover what they can achieve personally.

Your support has been amazing. It's been great getting to know all the students and their families.

Piano with Rebecca will be putting out a newsletter every term throughout the year to let you know of what is happening and with any important updates.

The Studio will be closing 16th December, 2022.
This is the final week of the school term.

What's on in the Studio

First Introductory Sessions

We will be holding these sessions for anyone who is interested to learn about the Simply Music program.
We explain how the program started and show how easy it is to learn for any age.
So, if you have always wanted to learn to play the piano or had lessons that you didn't follow through with as a child, this method is for you.

Teaching days and times for 2023

A new year always brings challenges as the children settle into their routine for the year but the Studio will accommodate everyone's needs as best as possible. Please contact the studio as soon as you are able and book you student into your preferred timeslot. Payment for the first month will ensure that timeslot for the term.
